The First annual Lemon Grove Review Custom Car show attracted crowds of Saturday shoppers.

'Practically Hand Made' Car Wins Sweepstakes Auto Trophy

A San Diego Junior College student from Vista La Mesa walked off with the sweepstakes trophy in the sports division Saturday of the first annual Lemon Grove Review Custom Car Show.

The student, Jay Wittkop of 4215 Lois, won the trophy with a "practically hand made" sportster which started life as a 1932 Ford roadster. While not attending junior college or working on his car (he had two in the show and his brother had one) he plays in the San Diego symphony orchestra.

The custom car show, held on the parking lot at the First National Bank, attracted crowds of Saturday shoppers in downtown Lemon Grove. Max Goodwin, publisher of the sponsoring newspaper, said that it is to be an annual event. The Lemon Grove Junior Chamber of Commerce aided by handling the show and doing the judging.

Plans already are underway for next year's show.

Besides Wittkop, the winners (all of whom won gold trophies) included:

Gunnard E. Ostberg, 2022 Bonita, Lemon Grove, whose 1941 pickup truck was judged to have the best paint job in the sports class;

Allan Hendricks and Bill Morando, 2331 McKnight, Lemon Grove, whose dragster won the best engine award in the sports class;

James Medina, 8416 Broadway, Lemon Grove, whose restored 1928 Ford roadster was judged to have the best body job in the sports class;

Ronnie Smith, 1570 Chase, El Cajon, whose remodeled 1952 Oldsmobile stole the show and won the custom car sweepstakes;

I. Levine, 5850 University, San Diego, whose four-carburetor, special ignition 1946 Ford took the trophy for the best engine in the custom car class;

M. J. Barnhill, 1737 1/2 Glencoe, Lemon Grove, whose 1953 Studebaker was judged to have the best paint job in the custom class (he was unable to be present when the cars were judged, but arrived later, thought he hadn't won anything, disgustedly kicked the license plate, then brightened considerably when handed his trophy);

Bud Moth, 898 Ash, Chula Vista, whose 1940 Oldsmobile coupe was judged to have the best body job in the custom class.

VARIANCE OKAYED

SAN DIEGO (CNS) — Permission to build a single family residence on a site with 5,345 square feet of land on Noble street, Lemon Grove, was granted to David E. Neuman on Thursday by the County Planning Commission. The area is zoned for duplexes, but the variance was approved only for a single family residence.

Max Goodwin, publisher of the sponsoring Lemon Grove Review, hands sports car sweepstakes trophy to Jay Wittkop. At extreme right is Jim Boyd, president of Lemon Grove Junior Chamber of Commerce which

handled auto show, did the judging. Trophy winners from left, are Al Hendricks, Wittkop, Gunnard Ostberg, I Levine, Ronnie Smith and Bud Moth.

Four Killed in Crash On Jamacha Boulevard

Four people died Monday morning when their car ran off the road just west of the intersection of Jamacha and Sweetwater Springs boulevards.

Two other occupants of the car were critically injured. In the accident at 2:20 a.m., those killed were the driv-

er, John Joseph Tierney, 47, a civilian worker at North Island Naval Air Station, who lived at 3334 47th St.; his son, Joseph Kelly Tierney, 3; Mrs. Emily Alma Colbert, 50, of Dehesa road, and Mrs. Joy Bair, 33, of 8711 Hiel St., Spring Valley Estates.

Two survivors of the accident are Tierney's wife, Jean, about 30, who is on the critical list at Grossmont Hospital, and her daughter, Marie, 6.

The girl's condition was reported good at the same hospital.

Deputy Coroner R. W. Rickard said Tierney was driving a 1960 sedan from Dehesa Valley, where occupants of the car had been visiting the Colbert family. They were en route to the Bair residence in Spring Valley.

Mrs. Bair's husband, Larry, had driven ahead in another car. When they did not arrive home he feared there had been an accident and called the sheriff's office.

Mrs. Colbert is survived by her husband, Harry, who re-

Donald C. Ellis, 23, of 2910 Olive st., shot himself in the right thigh Sunday while practicing a quick draw with a .22 caliber revolver northeast of Alpine near Peutz Valley Reservoir, according to the sheriff's office.

He and his brother Ronald Ellis, 5051 Orange ave., San Diego, had practiced several fast draws when the revolver went off as Donald pulled the gun from its holster.

Donald was treated at Grossmont hospital and released.

Parsons Regains Fire Post

Tom Parsons, 7634 Church st., Lemon Grove, chairman of the Lemon Grove Fire Commission, automatically regained his commission as the only candidate for the position at deadline time February 11.

Had more than one person filed for the race, an election would have been called at the fire district's expense.

The other two commissioners are Robert Vaught and Skip Heidick.

Progress Edition Coming Next Week

Next week's edition of the Lemon Grove Review and Spring Valley Bulletin will be devoted to telling the story of the progress in this area.

We are planning stories and pictures about the schools, churches, clubs and businesses in the Homeland area.

San Diego Official Raps Grove Report

Says Was 'Cruel Hoax' On Chamber, Public

A San Diego city official last week attacked a "local government" report prepared by a Los Angeles firm for the Lemon Grove Chamber of Commerce, calling the report "a cruel hoax on the chamber of commerce and the public."

Howard McCalla, administrative analyst in the office of the San Diego city manager, appeared at the Lemon Grove Men's Club to discuss "a home owner's look at incorporation." He said that he was speaking as a Lemon Grove resident and not as a representative of San Diego.

"In fact," he said, "I have been ordered to announce that my opinions are my own and have no connection with my official position."

He said that the report, prepared by the Los Angeles Bureau of Municipal Research and submitted to the chamber of commerce on November 6, 1957, "was full of errors and distortions in reference to revenues that could be expected if Lemon Grove were to incorporate as a city, and did not cover the level of services that could be expected."

McCalla went on to say that he had been in favor of incorporation until he made a complete study of the proposal. Then, he said, he discovered that with the assessed valuation of property in Lemon Grove, the level of services possible under any particular tax levy would be only half as good in Lemon Grove as the same tax rate produces in La Mesa or San Diego.

This, he said, is because Lemon Grove's per capita property valuation is only \$700 as compared to \$1,200 in La Mesa. He said the difference in sales tax revenue is even greater.

He said the only way to get a high level of services at the same tax rate would be to annex the area to "a nearby city."

Peter DeGraaf, Chula Vista city councilman who owns property in this area and is a member of the Men's Club, asked McCalla if the per capita revenue, and the level of expected services, could be increased "by shrinking the service area."

McCalla replied that "this, of course, is possible. You could incorporate just the business district and the basic \$1 tax rate would provide the necessities."

Ken Barwick, an attorney, asked if it would be possible that the people of Lemon Grove could incorporate and be able to get "the same level of services that they now get from the county, plus the advantages of home rule."

"Possibly," McCalla said, adding that if the people wanted to pay for it "they could get a higher level of services."

He also said that he is "in hope that in future issues the proponents get the straight facts and try then to decide just how much local rule and local identity is worth." And he added the opinion that the "identity of a community depends on the people and their interest, not on incorporation or annexation."

Cars Damaged

Two motorists escaped serious injury Friday when their autos collided on Broadway at the entrance to the parking area between Piggly Wiggly and the U.S. National Bank. The fronts of the cars were wrecked.

C. L. Monk, 3819 Shirlene, La Mesa, said the accelerator of his car became stuck. He crashed into a station wagon driven by William Nery, a vacationing Air Force man who lives at 2417 69th St. Nery said he suffered an injury to his arm.

The DIMMER VIEW

by MAX GOODWIN

That was a rather strange speech made last week by Howard McCalla at the Lemon Grove Men's Club. McCalla is a Lemon Grove resident; he lives on Primera st., and that may or may not give him some right to make public utterances as an expert. But as the administrative analyst for the city of San Diego, that brings into focus certain other considerations.

McCalla impugned the intelligence of members of the Lemon Grove chamber of commerce as well as other community leaders when he charged that an economic study, made by an independent survey firm, but paid for by private contributions under the auspices of the chamber, was a "hoax." He said the survey was made to say what proponents wanted it to say. He then gave blessing to a survey made by the city of San Diego at the expense of city taxpayers.

Taking a clinical look at McCalla's utterances, especially from the position he said he was assuming as a private citizen, we could write them off as typically biased, coming from a person whose emotions run higher than good judgment.

However, we cannot completely disassociate McCalla from his job with the city. There is reason to believe he is speaking as much for the south end of civic center as he is for himself.

If McCalla wanted to add facts to his "opinions as a private citizen," he could have told that the city of San Diego spent a lot of money to help defeat the last incorporation attempt of the community of Lemon Grove. On this charge I have the public word of one of San Diego's business leaders. McCalla might have concurred that help, rather than hindrance, is a more proper position for a big-sister city to take.

He also might have reported, as we did last year, that the city had acquired the services of a public relations firm to set up some local citizens as a "patsy" around which they would build interest in a movement for annexation.

In all, it appears that San Diego city officials believe the Lemon Grove tax base can still be acquired at bargain-counter prices.

We, as newspaper people, often get the feeling that we are being used only to the end of supplying bulk to PTA publicity scrap books (which is an area in which PTA executive groups could do so fruitful studying).

We wonder, sometimes, if even those who run our school system get the feeling that some PTA projects are necessary outlets for sapping off the bottled-up energy of some of those whose interest in schooling is higher than the inept and unprofessional assistance they are able to command. Yet, no school official has ever suggested this to be the case.

But when the PTA-time comes for choosing from its own members those who are to receive the organization's highest award, a life membership, our carping inevitably turns to admiration.

As these reports clear our news desk we are overwhelmed by the amount of good projects that have been successfully completed. It is amazing to view the amount of effort and services

Coordinating Council Takes Aim at Park

The Lemon Grove Coordinating Council moved this week toward coordination of efforts to establish a county park on county-owned land near the corner of Washington and Mt. Vernon.

Council members voted to have the executive board send a delegation to county officials to find out what the county intends to do about the park. Frank Doolin, president of the Swimming Pool Assn., reported on efforts to raise funds to build a swimming pool on land adjacent to the county property.

And he reminded council members that an option on the property had been handed over by the association with the provision that the county use the property for youth recreation.

Doolin reported that the association owns the property and has \$1,765 in the bank. An adequate pool, he said, will cost \$90,000 and the association hopes to raise \$60,000 by asking volunteer donations of \$5 to \$10 per family in the community.

At Monday's meeting, Betty Martin, vice president of the council, reported what she said were the primary needs of the

Awards Planned For Rotary's 'Courtesy Week'

The Lemon Grove Rotary club announced this week that a "Courtesy Week" will be held in Lemon Grove the last week in March.

Plaques for courtesy will be awarded in four categories according to Joel Artavia, committee chairman. An award will be made to the salesperson chosen as being the most courteous. Rotary-Annes will be judges of this project. The owner of the place of business at which the "most courteous" person is employed, will also be given a plaque.

Winner of a motto-poster contest conducted among seventh and eighth grade students will also be awarded a plaque. Lee Clapham and John Penery are chairmen of this committee.

Lemon Grove's most courteous driver will also win a plaque. The choice will be made by a member of the California Highway Patrol, Artavia said.

Rolla Hamilton, Rotary president, said "Courtesy Week" is being held locally to attract attention to the Rotary's Four-Way Test. The test asks the questions: 1. Is it the truth? 2. Is it fair to all concerned? 3. Will it build goodwill and better friendship? and 4. Will it be beneficial to all concerned?

Throwin' the Bull

Quotestville: Corey Allen—"No, I'm not a method actor—the only time I mumble is around 3 in the morning." Bob Hope will receive \$100,000 for his guest star appearance on TV's "Arthur Murray Party," and donate the entire sum to the Fight for Sight eye research charity. Castings: Yvonne Lime into a "Dobie Gillis" seg Fay Spain into an "Hawaiian Eye" and the "Alaskan" show and Barbara Luna into "The Texan."

Yvette Mimieux, MGM starlet, has been ordered by the studio to see one Greta Garbo picture a day in the screening room to improve her already talented acting. By the by, Yvette's steady boyfriend handles the technical reins of "Smorling Gru," the original play I'm currently in. And Evan Engber does a great job of it, too.

TEACHER TURNED THIEF
Kerwin Mathews, who stars in the Columbia release, "Man On a String," was a former drama and English teacher in small Wisconsin high schools and colleges before turning actor. Mrs. Sessie Hayakawa, wife of the famous Japanese actor, has a leading role in "Hell to Eternity" in which her husband stars. A company record will be set for 20th Century Fox when they produce 35 pictures during this year, at a cost of 70 million dollars. A record that is, if the threatened actor's strike doesn't take place. The Screen Actors Guild is entirely in the right and I'm backing them up 100% should they decide to picket the major studios.

IRONY DEPARTMENT
The city of Memphis, Tenn., finally lifted its 12-year ban on Producer David O. Selznick's epic, "Duel in the Sun." But he's not worried, the picture has already grossed several million dollars. Deanna Ross beamed to her waiter in a Chinese restaurant about no fortune in her fortune cookie. Walter: "That young lady, is because the cookie writers are on strike." Recommended picture: "This Rebel Breed," a Warner release, that features an exciting story, taut acting and a great character casting job. Definitely one of our better "teen" flicks. Until tomorrow, Vaya Con Dios!

DOROTHY DIGS in the garden

Always be particular to rake up and destroy camellia or azalea blossoms that drop on the ground. This is one of the most important methods of maintaining good garden hygiene. Fallen blossoms of such delicate texture, lying on the moist soil, will be infected with fungus very quickly and this is a deadly disease, a menace to camellias and azaleas and many other plants.

One way in which you can positively identify camellia petal blight is to observe if the decay of the petal starts from the base of the blossom and works out, surrounding the stamen and pistons first. In short, if the breakdown in the structure of the flower comes from inside and works out to the edge of the petals, then secure expert advice immediately. If the leaves merely start to turn brown and decay on the outside of the petals, it is usually due to inclement weather conditions or improper watering, or lack of minerals in the soil.

Once Over Lightly

by Don Wilson

Ordinarily, I am disgustingly healthy.

Except for certain chronic ailments easily attributable to advancing age, I manage to stay on the job without having to be supported by doctors and nurses.

But the other day it was different.

Paula was complaining of a sore throat and I wasn't paying too much attention. Wives always complain and husbands ignore them. I started out for the office and I felt fine.

By the time I got there, I had a bit of a sore throat. By 10 o'clock I had the sniffles and a sore throat and a head ache and a back ache and a nasty temper.

So when I went home for lunch I stopped by the corner drug store and bought a bottle of cold tablets, a bottle of aspirin, two boxes of cough drops and one of those gadgets you inhale through.

I dumped the pile on the table at home and Paula and I divided it up, she taking the cold tablets and I settling for the antihistamine tablets. We split fifty-fifty on the rest and started out to see who could whip his cold the soonest.

From all indications, I'm winning. Paula still has a deep cough and I still have the sniffles but she looks more miserable than I do.

And while I was writing the above, I got this in the mail:

The Mail Box

Dear Editor:

Does Lemon Grove really want a swimming pool?

We sent out a questionnaire to 48 clubs and groups asking them how we should go about raising money for this project. To date only 15 questionnaires have been returned. Three clubs expressed a wish for special money-raising activities. One sent a generous contribution. One club sent the questionnaire blank except for an insulting notation. Eleven expressed a desire to help with another carnival.

White attendance is increasing at our meetings (second Monday of every month) we have nowhere near the attendance needed to put a successful program into being. A representative from each and every family in the community is our ultimate aim... yet the Association has been held together by less than 25 devoted citizens. These persons have worked, sweated, and even cried to keep the project going even though there has never been any assumption that carnivals alone could raise enough funds to build a pool.

We had high hopes for incorporation so that the city could run the pool; but that failed. Our next hope was the recreation district, and that failed, too.

The questionnaires were our way of begging and pleading with local residents for advice and guidance on raising funds for the pool.

The swimming pool property is paid for. There are a number of ways of financing the pool but we must have the backing of every citizen in the community... not with interest and enthusiasm alone, but with cold, hard cash, too.

If every family would contribute \$5 a year for the next five years, the pool could be built. The land the pool is to be built on belongs to you. It is worth a lot more today than it was when we bought it. It is just waiting for you citizens to take up your fair share of the financial responsibility.

The pool will cost \$100,000. After it is built it could be turned over to the county for upkeep and maintenance. This would be done with Park and Recreation funds and will cost us nothing extra. We are already paying taxes into the Park and Recreation fund and are getting nothing from the department except the Youth Center which we built a long time ago with our own money.

Soon we will canvass the community to see if there is a possibility of families contributing \$1 a month, or \$5 a year. The land must be used for a pool and the Swimming Pool Association will not turn the property over to some self-seeking group or person for personal gains.

This year we will have a carnival supported by groups not contributing cash. A Pied Piper Parade and a dinner at the Youth Center will be part of the program. We hope you will take part.

You are also invited to attend the monthly meetings of the Association. The are held on the second Monday at 7:30 in room six of Junior high school.

Please help us successfully complete this worthy project.

California, Land of Tame Wild Minks?

"Keep California green and golden... and over-run with white mink" might be the Lemon Grove version of California's famed slogan.

Mrs. Keith James, 2311 D. Foss St., reported Saturday that a white mink had taken up a homestead in her yard. She said the animal was extremely tame and unafraid of her two dogs.

If the owner is worried about the creature, he may have it by calling Mrs. Keith and identifying same. Mrs. Keith's telephone number is HO 9-6969.

Income Tax Fax

A public service of the Society of California Accountants

Did you have more than one employer in 1959?

Were your total earnings over \$4,800? If so, your employers have deducted over \$120 from your paychecks for F.I.C.A. taxes. The maximum that you are required to pay for F.I.C.A. taxes is \$120, that is, 2 1/2 per cent of \$4,800.

Any overdeductions of F.I.C.A. tax can be claimed on your income tax return as additional income tax withheld.

The W-2 slips your employers give you should show the amount of F.I.C.A. tax withheld, as well as the amount of income tax withheld. Add these F.I.C.A. amounts. Subtract \$120 from the total and show the balance, the overdeduction, on your income tax return under the column "Income Tax Withheld." In the column headed "where employed," write F.I.C.A. tax. If you use form 1040A include this amount in item 5, "income tax withheld."

You have paid in too much for F.I.C.A. tax and now you are using the excess to pay your income tax to or increase the refund you have coming to you.

High School District To Share Pool Cost

Use of a five-cent recreational tax levy, available to the Grossmont Union High School District Board has been approved in principle to assist citizens in the development of community recreation programs. The action reaffirmed the policy statement adopted two years ago whereby the school district would enter into a cooperative agreement for the development of community center-gymnasium and swimming pool with the City of La Mesa and the City of El Cajon.

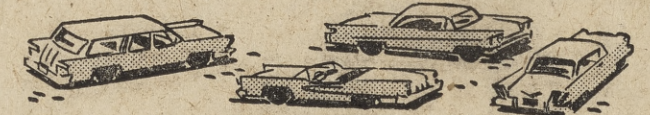

The board in approving the principle of cooperative development said that these facilities would be used by the school during school time and by the community in out of school time for the benefit of all citizens in the area with sharing of the maintenance and operation costs. This makes possible not only greater use of facilities,

but also a saving to the taxpayer in that the construction and maintenance of duplicate facilities are avoided.

The board further indicated that if the financing of these projects in the City of La Mesa and El Cajon resulted in construction of facilities at Helix and El Cajon Valley High Schools, the board would continue the five-cent levy in successive years in order to provide the same facilities for each high school in the district.

Contributed by unselfish persons to their school community and to their fellow citizens.

It is in the spirit of admiration and respect that we salute, here and now, all those deserving persons who achieved, this month, the most meaningful PTA award of them all . . . the award of PTA Life Membership.

A reprint from an article which appeared recently in Advertising Age, the national newspaper of marketing, was sent to me by Mr. D. W. Hale, manager of the public relations department of the Foster-Kleiser Co. The latter erects billboards and sells advertising thereon.

The article takes off on "Mark Trail" a newspaper comic strip of the outdoors type in which the cartoonist apparently makes light of billboards being erected in some fairly remote places.

The writer condemns the cartoonist and the publishers who use the daily strip because "it shows billboards covering natural beauty spots . . . some spots so inaccessible that they can be reached only by helicopter."

The writer made the point that signboards locations are never chosen for minimum eye traffic. Signboard people, and their clients, demand extremely high traffic-count locations, he reminds us. And with that we find no argument.

But when he calls upon the newspaper industry to mend its ways because "anyone connected with advertising who attacks any segment of it had better be completely sure he is not, in the process, undermining . . . himself" he has put his billboard up facing the wrong way on a one way street.

The writer then lumps all of these charges under a title "Shall We Hang Separately?" and as far as we are concerned he answers is "yes!"

Let Mr. Hale and his favored writer in Advertising Age know that newspapers do not "hang" with signboards, nor television, nor radio, skywriting or throw-away publications.

A paid-subscription newspaper uses only its own materials. It does not obscure the view of a pond, a tree or a landscape . . . all of which you have a reasonable right to see, if you wish. A paid-newspaper does not utilize the public airways for profit, as does radio and teevee. Unlike throw-away publications, and printed circulars, paid newspapers come into your home by invitation.

We are not going to be lumped in with billboards either by advertising measurements or freedom-of-speech rules.

A newspaper obscures no view; shares nothing belonging to the reader except the Constitution guaranteeing HIS right to know.

Argues that Children Will be in Danger

More than 35 Spring Valley residents appeared in the District Court of Appeals Monday afternoon, to protest the establishing of a tavern at Troy and Bancroft streets. The tavern is to be known as Mac's Tavern.

The protesting group was led by Elmer (Mick) Mickelson of Bancroft Dr. and three ministers of the area: Rev. Roland Taylor of the First Baptist Church of Spring Valley; Rev. Lewis Ginn of the Bancroft Baptist Church; and Rev. Dean Shaw of the Spring Valley Nazarene Church. Rev. Loren Mills of the Spring Valley Friends Community Church also was on hand.

J. W. McBroom, investigator for the Calif. Dept. of alcoholic beverage control was first to testify. He produced a map which showed the location of various businesses adjacent to the proposed tavern. He said there are three off-sale licenses in effect at the present time in the area. He said it is his understanding that regarding police protection for the area that there is just one sheriff patrol car.

Mickelson, on taking the stand, produced a map of the area, which he said he drew up himself. The parties concerned said they would accept the map. Mickelson said that legally the proposed tavern is far enough away from the schools and churches, but that the traffic problem in Spring Valley is a bad one, and he felt, as did others, that another tavern in the area would add to the problem.

He said that there are no sidewalks on Bancroft Dr. and that when cars are parked at the side of the road, children must walk in the street.

Mickelson stated that the superintendent of the La Mesa Spring Valley School Dist., Jenn Murdock, had told him that there are plans for more schools in Spring Valley that will eliminate the use of busses to carry the children to and from school, and that will mean more children on the streets, he indicated.

He said there is to be a 24 hour laundromat near the proposed tavern and that women will be using this self-service concern day and night. Mickelson repeated a passage in the Calif. Code which stated that residents would be disturbed by having a tavern in a residential area. He concluded that he and others were more concerned with the safety of the children than any other thing.

Rev. Ginn stated that he had been by the area on a Saturday night and that the parking area is already being filled before the tavern has opened.

Rev. Taylor said he and his congregation feel that the tavern so close to the church would be a bad influence on children going to school and going to and from Sunday School.

Orville McDonald, owner of the proposed Mac's Tavern, said that he owns another tavern and that he has had no trouble. He said it is his intention to keep the noise down. He said the tavern will seat 15 persons and that he has a five year lease. He was counseled by Harry Florentine, representing the Tavern Owners Association.

E. A. McDonald, appealing officer for the state, who heard the case, said at the close that he will send all the hearing information to Sacramento and that the decision on the case will be returned in about 30 days. He said that if either the tavern owner or the protestants are not satisfied with the state's decision, they may enter an appeal.

Palm Avenue PTA Gives Life Award To Mrs. Armstrong

Palm Avenue PTA last week named Mrs. Frank Armstrong as this year's recipient of the PTA's Honorary Life Membership.

She is the mother of two children. She served as chairman of a fund drive in Lemon Grove or the Community Chest and the United Fund. For three years she was Red Cross Chairman for Lemon Grove and head of the Red Cross Volunteer Motor Corps. She teaches swimming.

She was the treasurer of a Co-Operative Nursery School.

Mrs. Armstrong is the secretary of the church board; she has put out the church paper for two years and has put out the church directory for another two years. She has also worked with the Jr. Choir.

The Camp Fire Girls saw her services for four and a half years as secretary and vice president of District 8.

As a six year member in the Kiwanis she held the offices of program chairman and vice president.

She was secretary of the Mt. Helix Council of the PTA, historian for the Golden Avenue PTA, and was publicity chairman for that PTA and for Palm Avenue PTA. Last year she served as safety chairman and is recording secretary for Palm Avenue PTA this year.

Teacher Wins Award At Monterey Heights

Monterey Heights PTA last week awarded its annual Honorary Life Membership to Miss Patricia Walters, kindergarten teacher at the school, for her continuing interest in youth and community.

Camel and ostrich racing, two exclusive rib tickling events, will be held daily at the Riverside County Fair and National Date Festival at Indio, California, Feb. 12 through 22.

Mrs. Frank Armstrong, Miss Patricia Walters, PTA Honorary Life Member. Mrs. Ivan Arms and Mrs. Andrew C. Olson.

Two Life Awards Given By VLM Parent-Teachers

Mrs. Ivan Arms and Mrs. A. C. Olson were awarded the Honorary Life Memberships at the Vista La Mesa PTA meeting on February 11.

Mrs. Arms has been active in PTA for eight years, holding various offices, on the board including that of president. She is active in the Vista La Mesa Christian Church, and served as pianist for several years. She was a cub scout den mother and treasurer for the cub scout pack. Mr. and Mrs. Arms live at 3967 Massachusetts. They have one son, Michael, who is a student at Lemon Grove Jr. High.

Mrs. A. C. Olson has served on the PTA board for several years including the presidency for two years. She has been an active member of the cub scout pack. Recently she organized an Audubon club in her home for eight 8 year olds. She has taken an active part in community drives for Red Cross, Polio, and Community Chest. Dr. and Mrs. Olson live at 3885 Capitol St. in Lemon Grove, and have two sons, Robert and Gregory, who are students at Vista La Mesa school.

Parker, Past CC Head, Transferred To Alhambra

Bill Parker, division sales manager for the Pacific Telephone Co., and immediate past president of the Lemon Grove chamber of commerce, is being transferred out of the community.

Beginning at once he will work out of the firm's Alhambra office and will be in charge of the Foothills division (Riverside County) sales.

Parker has been active in Lemon Grove civic affairs. In 1958 he headed a committee for raising funds for an incorporation election.

He was assigned to the Lemon Grove branch of the telephone company in La Mesa in October 1956. Last year, in April, he was promoted to his present position. He said he would not move his family to Alhambra until mid-summer when he disposed of his home at 4817 Lorraine dr.

A civic dinner honoring Parker is planned by Lemon Grove chamber members.

Killed in Fall

A 64-year-old Lemon Grove man was injured fatally Monday when he fell from a power pole near Shenandoah drive and Linda Vista road in the Clairemont area, Deputy Coroner William Stephens said.

The victim, Lester H. Reed, 75666 Lemon Ave., died at Sharp Memorial Hospital shortly after the 9:30 a.m. mishap. Stephens said that Reed was on a power line to Miramar Naval Air Station. Working on a switch on a power pole, Reed unhooked his safety belt to change position. His foot slipped on a crossbar of the pole and he fell.

Youths Sentenced

A Spring Valley youth and a companion from Lemon Grove have been sentenced in a forgery case.

Robert E. Covey, 20, of 3842 Valencia, Spring Valley, was sentenced to prison for a term of from one to 14 years. Earlier he had admitted conspiring to forge \$630 worth of checks in December and November, last year.

A codefendant, Robert Allen Lee, 19, of 8340 Robbie Way, Lemon Grove, received a five-year suspended sentence.

Libel Suit Against Publisher Delayed In Superior Court

The trial of a libel suit brought by Sam J. Russo, president of Uptown Enterprises, against Max Goodwin, publisher of two local newspapers, has been postponed until May 24.

The postponement was granted in superior court by stipulation between attorneys for Russo and Goodwin.

Russo asks \$51,000 compensatory and \$5,000 exemplary

damages on each of two causes of action in his suit against Goodwin, publisher of the Lemon Grove Review and Spring Valley Bulletin.

In his suit Russo complained that Goodwin printed false and unprivileged statements in his newspapers concerning policing action taken by sheriff's deputies at the Ace Drive-In Theater in Lemon Grove. The drive-in is a part of the corporation's holdings.

Globetrotters Beat Rockets In San Diego

The Harlem Globetrotters, backed by crown prince Meadowlark Lemon, handily took care of the Baltimore Rockets in their one-night performance a week ago Friday in the San Diego Arena with a 74-47 score. An over-capacity crowd of 4,250 persons jammed the arena to watch the Trotters and the Althea Gibson-Karol Fageros tennis match held before game-time.

The great turn out caused a 30 minute delay in the starting of the program, while San Diego Fire Department representatives enforced regulations requiring that the aisles be kept clear.

The Rockets made a good showing, holding the Trotter clowns to a 21-21 halftime deadlock, but the Trotters came to life in the second half and built up a safe lead before displaying many more of their comedy routines.

Miss Fageros won the first tennis game, but lost 4 straight to Miss Gibson, picked up the sixth game, but dropped the seventh and eighth games for the 6-2 finish.

Helix High Varsity Cage Team Continues with Four Victories

Helix High School's Varsity Basketball team continued its winning ways the past two weeks with four victories in as many outings. Here are the scores: Helix 94, Sweetwater 33; Helix 71, Escondido 54; Helix 114, El Capitan 65; and a 34-38 effort over Mt. Miguel.

The victories gave the Scots a 13-0 league record and a 22-24 overall slate this year.

Jim Bowers, Clayton Raaka, and Bob Mackey paced the Highlanders in the scoring column.

Helix rolled to a 35-4 first quarter lead in their game against the Sweetwater Red Devils on the Mt. Miguel floor, and went into the halftime intermission holding a 59-15 score. Going into the fourth quarter the Scots held an 80-18 advantage.

Grove Pilot Takes 9th Place In Fly Race

A Lemon Grove man, Jim Spears, of 1902 Massachusetts ave., placed ninth in a California Sportsmen's Pilots race Saturday.

Spears, who operates the Ford agency here, flew a pink and white Tripacer over the Fullerton to Las Vegas route for an efficiency rating of 119.5 percent. Ratings are projected from a 100 percent average speed and average fuel consumption figure for each craft.

The contest was won by Walter Orman of Fullerton. Mrs. Spears was navigator for her husband's craft.

Matador Hoopsters Eye Short Scoreboard

By Bill Ott Jr.
In the past two weeks of Metro League play, the Mt. Miguel Matador basketball team has fallen short in the scoring column, and has won only one out of four outings.

Tuesday, February 2, the Miguel men traveled to Escondido to meet the always rough and ready Escondido Cougars.

Paced by Steve Thurlow and Gerry Gunnarson, the Cougars rolled to a 31-18 halftime lead, and were never bothered by the Matadors as they built up a 51-35 third quarter margin. The Esco defense held the Miguel hoopsters to 15 points, while picking up 22 for the final score.

Thurlow blazed in 21 points to lead the Cougars, and Gunnarson along with Mike Williams each potted 14.

Bob Roberson and George Webster sparked the Matador attack with 13 and 10 points respectively.

Friday night, February 5, the El Cajon Braves invaded the Miguel gym and could not withstand a late Miguel rally and fell to the Matadors 66-63.

The Braves held a 36-28 halftime nod, but the Matadors pumped in 24 points in the third quarter, while holding the Braves to 15, and moved into the fourth quarter with a 52-51 point edge. The Braves could not stop the Matadors in the final period and suffered the loss.

Wayne Stephens pushed 26

points through the net, and Dick Schwab poured in 23 to pace the Miguel quintet.

Bob Hoss and Larry Hancock tallied 25 and 20 points respectively to guide the losers.

Tuesday afternoon, February 9, saw the Matadors stage a second half full court press against the Hilltop Lancers at Hilltop, when the Lancers held a 32-25 halftime margin. The Lancers went into the fourth quarter holding a 45-36 advantage, but the Matadors rallied and scored 20 points to the Lancers 16 but that was not enough to stop the Metro's second place team.

Bob Engberg of Miguel and Robbie Hewitt of Hilltop shared scoring honors with 21 each.

Don Enos and Charles Schnieder trailed Hewitt with 17 and 12 points in that order. Schwab and Bill Wylie followed Engberg, each meshing in 10 points.

Friday night was long and drawn out for the Matadors as they faced the towering Helix Highlanders, with Bowers, Raaka and Co.

Mt. Miguel held the Highlanders to a small 17-9 first quarter lead but the Scots went into the halftime intermission holding a comfortable 36-15 tally.

Third quarter action was a shooting spree for the Highlanders, who scored 30 points, and allowed the Matadors a mere 7 to jog into the fourth quarter holding a 66-22 effort. Using reserves, the Highlanders scored 18 in the final period, and the Matadors 16 for the difference.

Big Clayton Raaka stuffed 32 points through the hoop and Jim Bowers hit 30 for the Scots lads.

Dick Schwab netted 11 to pace the Matadors, and junior Doug Wardell followed with 7.

Mr. Miguel goes up against a tough Grossmont five Friday night at Grossmont. The Matadors defeated the Foothillers 49-47 in their previous meeting.

Helix draws a bye for Friday night action.

Miguel Matmen Champions, To Keep Trophy

Mt. Miguel's Varsity Wrestling team has retained the Metro League Championship for the third straight year and now the trophy will become a permanent fixture in the Miguel trophy case.

Victories over Hilltop and Sweetwater last week allowed the Miguel matmen to finish the season without defeat and only one tie marring their perfect record, and that being a 24-24 tie with Yuma at the first of the season.

In the S.C.I.F. quarterfinals held in the Miguel gym Saturday, the Matadors qualified all of their men and took first place with 102 total team points. San Diego followed the Matador matmen with 70, good for a second place.

Miguel's twelve men will see action Saturday in the semifinals to be held at Miguel.

Tom Welbaum Resting Okay

Tom Welbaum, Mt. Miguel High School athletic director and former head football coach, is resting comfortably after surgery for a hip joint ailment last week.

The ailment is suspected to be from an injury incurred earlier, and infection apparently set in.

Welbaum begins further surgery this week, and will remain in the hospital from 2 to 6 weeks depending on his recovery.

Cards and letters may be sent to Welbaum at the Mercy Hospital, Hillcrest Ave., Room 602, San Diego.

SCIF Wrestling Semi-Finals Set

Mt. Miguel High School will be the site of the S.C.I.F. Wrestling semi-finals to be held Saturday in the gym.

Wrestling action will begin at 10 a.m. and will continue on through the day with the finals for the events to be held in the evening beginning at 7 p.m.

There will be 16 wrestlers representing each of the twelve weight classes and coming from the San Diego and San Bernardino areas.

The public is welcome to attend the matches.

GOOD GRIEF! OUR FORD FALCON WON'T FIT IN THERE! IT HOLDS SIX PEOPLE!

That's right, Lucy! The Falcon is a true six-passenger car with all the room you'd expect in a full-size Ford. Yet it slips through traffic that baffles the "big ones." The Falcon is a real budget-saver, too...the lowest-priced, six-passenger car built in America. It saves on gas and oil, maintenance and repairs, even on insurance. Maybe it won't fit into Snoopy's house. But it will fit into your car-buying budget without strain. Try one for size — the new-size Ford Falcon.

EDGEWATER HOMES — Observers were betting that the builders of seven models for the new Edgewater Homes subdivision would never have things done in time for the grand opening last weekend. The above hectic scene was photographed just two days before the opening. But the bettors lost. The models were ready when the 12,000 visitors arrived over the weekend. The new community, along Jamacha boulevard just west of Sweetwater boulevard, is to contain 3,000 homes.

Zone Variances Win Approval

SAN DIEGO (CNS) — Two requests for zoning variances in the La Presa area were granted Thursday by the County Planning Commission.

Marmil Development Co. was given permission to build at the southeast corner of Maclay and Orville streets with a rear yard of 20 feet instead of the required 25 feet.

The second variance was granted to James Milford Worley, to allow him to build on sites with an area of 5,250 square feet instead of the 6,000 square feet required in the zoning ordinance. The Worley variance covers two parcels, located on La Presa street, between San Francisco and St. George streets.

Dr. Nicholl is past president of the county branch. He will attend the Santa Monica Congress through Sunday.

Property Owner Gives Land, but Reluctantly

SAN DIEGO (CNS) — A Lemon Grove property owner reluctantly agreed at Thursday's session of the County Planning Commission to give land to the county for widening Washington street, in turn for getting commercial zoning for two and a half acres.

W. L. Tyson's request for commercial zoning had been before the commission for a number of weeks, but the commission has insisted that the zone change will increase traffic on the steep part of Washington, so Tyson should give 15 feet of land on his side of the street, the west, so the thoroughfare eventually can be widened.

Tyson had failed until last week to agree to the requirement.

"Due to the steep grade," Tyson told the commission Thursday, "taking all off our property is still not going to be the answer."

Deputy County Counsel Robert Berrey interrupted to say that the hearing was closed so the commission could not permit Tyson to engage in any arguments on reasons why he should or shouldn't do as requested.

"Ty, are you going to give us the land or aren't you?" asked Commissioner George V. Johnson.

"I will, if my neighbors do," Tyson responded.

But Commissioner Chairman Warren K. Hooper cut him off. "The question is 'yes' or 'no' and that's what we have to

Student Teachers Greeted by Superintendent

Forty-four student teachers from San Diego State College were greeted by Superintendent Glenn E. Murock in an informal meeting at La Mesa Elementary School last Thursday morning.

The teachers, assigned to work with experienced elementary school teachers in the La Mesa-Spring Valley school district, obtain college credits for their experience as part of their college training.

Dorothy Harding, director of personnel, said a second meeting for junior high school student teachers has been scheduled for 10 a.m. March 2 at La Mesa Elementary School auditorium.

Credit Buying Cuts Money Supply, Says Local Economist

"The average U. S. family is steadily financing more and more of its current purchases by use of credit. This is one of the streams which is producing the present money shortage," So stated James C. Downs, Jr., economist, in "Trends," a monthly publication of the Union Title Insurance Co.

He further writes that real estate sales locally in January topped the record set in that month a year ago. Mortgage lending also set an all-time high in both number made and total dollars loaned.

Real estate sales totaled 292 in the Lemon Grove, La Mesa-Spring Valley area during the month of January. Though this total is a drop from the preceding month, the area continues to retain second place in total sales throughout the San Diego region.

Folda's Flowers Take Camellia Show Awards

Larry Folda, president of the Lemon Grove chamber of commerce, together with his wife, were recipients of 26 awards for blooms they entered in the San Diego Camellia Show Saturday and Sunday.

The Folda blooms took eleven first, seven second and seven third place ribbons, plus a medal for a special award. One of their plants was chosen to occupy the table of honor.

The Foldas have more than 400 camellia plants at their home at 9333 Dillon st., La Mesa. They have been raising camellias for three years.

Music Parents Club Sets Feb. 27 Fashion Show

"Missile Guided Fashions" is the theme chosen for the fashion show to be presented by the Music Parents Club on Feb. 27 at 7:30 p.m. in the Mt. Miguel High School gymnasium. Music students will be modeling the latest in spring fashions from Lowe's Toggery and Lane's Store for Men.

The well known radio personality, "Gentle" will act as master of ceremonies and narrate the fashion show. The concert band, under the direction of Lawrence Christianson, will play "La Fiesta Mexicana" by Reed, a trumpet trio, "Buler's Holiday" by

Leroy Anderson and selections from "My Fair Lady." The "Girl's Ensemble" will also take part in the evening's entertainment. Prizes will be awarded throughout the program including a fry pan, coffee maker, table lamp and several more besides a clock radio as door prize.

Tickets may be purchased from any band or orchestra student, Music Parents Club member or at the door at \$1 for adults and 50 cents for children and students. Proceeds are to be used for music scholarships.

Son of Spring Valleyite To Marry Ohio Geologist

Mr. and Mrs. Samuel Benedict, of Glendale, Ohio, this week announced the engagement of their daughter, Rebekah, to Dr. Robert Orville Fournier, of Washington, D. C., son of Mr. and Mrs. Louis Orville Fournier of Spring Valley.

Miss Benedict is a graduate of Hillsdale School and of Bryn Mawr College. She spent one year at the University of Edinburgh in Scotland on a Fullbright scholarship and received her Ph. D. in geology from the University of California. She made her debut during the 1949 season. She resides in Berkeley, Calif., where she is engaged in government geological work.

Dr. Fournier is a graduate of Harvard College where he had a four year scholarship, and received his Ph.D. in geology from

the University of California. He is now working with the U. S. Geological Survey in Washington, D. C.

Luncheon Set

The Lemon Grove Business Women's League will hold its regular luncheon this Thursday noon at Michael's in Lemon Grove.

All members are urged to attend this meeting. The nominating committee will be announced, and the board is making plans for a bus trip to take the place of the March luncheon meeting.

Suggestions for new officers, and the bus trip, will be asked from all those attending the luncheon.

Rebekahs Set Fashion Show

Mesa Jewel Rebekah Lodge No. 409, Independent Order of Odd Fellows, will hold a fashion and floral show March 3, in the War Memorial Bldg., Balboa park. Mrs. Allan Moss is general chairman.

The annual event will have an Hawaiian motif and fashions as well as floral demonstrations will follow the theme.

Mrs. Kenneth Marquis is assistant chairman of the luncheon. Other chairmen are: Mmes. Glenn Calder, Edward Eckenroth, Paul Hoss, Fred Bobo, Huntington Fish and Marie Cole.

Also, Mmes. Richard Odgers, Clyde Deitrich, Pennelle Adams and Louis Lyng.

Hostesses are Mrs. William Hall, Noble Grand, and Mrs. Paul Hoss, Vice Grand.

NEW MEMBERS — Mrs. Marie Howell, president, welcomes new members to the Lemon Grove Woman's Club. They are, from left, Mrs. McNeil, Mrs. Esther Foster, Mrs. Myra Goff and Mrs. Dorothy Doughman.

Woman's Club Votes to Federate

The Spring Valley Woman's Club, at its Feb. 10 meeting, voted to federate. Federation puts the membership actively in the general federation and makes the club part of the international club movement. It gives the individual club power of combined groups in legislative efforts. It makes the club not only a local force but a state and national force as well.

Plans for the fashion show to be held March 9, will be discussed at the S.V. Woman's Club meeting Feb. 24.

Fashions to be Modeled By Junior Women's Club

Fashions made by the members of Junior Women's Clubs will be modeled at a fashion show on February 23 at the new La Mesa Women's Club house at 1 p.m.

This show will be all of the entrants from the San Diego District Federation of Junior Women's Clubs in connection with the national contest sponsored by the Federation and Vogue pattern company. A beige wool suit made by Mrs. Wayne Chubb placed first in the Lemon Grove Junior Women's club show held at a meeting on February 9. She will model her suit at the show in La Mesa, along with Mrs. John Harvey, who made an aqua wool two piece dress; and Mrs. Don Allen in a red-brocade party dress made

by Mrs. Robert Bresnahan. Describing the outfits during the show, will be Mrs. Ralph Kraft as commentator, and background music will be provided by Mrs. Richard Meads at the piano. Both are members of the Lemon Grove Juniors.

At the regular meeting of the Lemon Grove Junior Women's Club on February 23 at 8 p.m. at the clubhouse the speaker will be Melvin Murphy from the San Diego Mental Health Association. The members also will return the 12,000 envelopes they typed addresses on for the Easter Seal campaign to the chairman, Mrs. James Dargitz, who will announce the time and dates of when they will gather to stuff them for mailing.

Junior Women To Sponsor Fund Dance

A "Leap Year Dance" is being sponsored by the Lemon Grove Junior Women's Club on February 27 at the Singing Hills Country Club, according to Mrs. Warren Peterson, general chairman.

Dinner will be served at 8 p.m. and then all of the guests in their semi-formal attire will spend the evening dancing to the music of Junior Gantz and his band. Bids may be obtained from any member of the club or by calling Mrs. Rae Kickbush. Opportunity tickets will be sold throughout the evening by Mmes. Warren Peterson, Lawrence Sozzani, and Rae Kickbush.

With the proceeds from the dance the Juniors hope to further the knowledge of the residents of San Diego County about Mouth to Mouth Resuscitation by purchasing a film on this subject, as a safety project for the year.

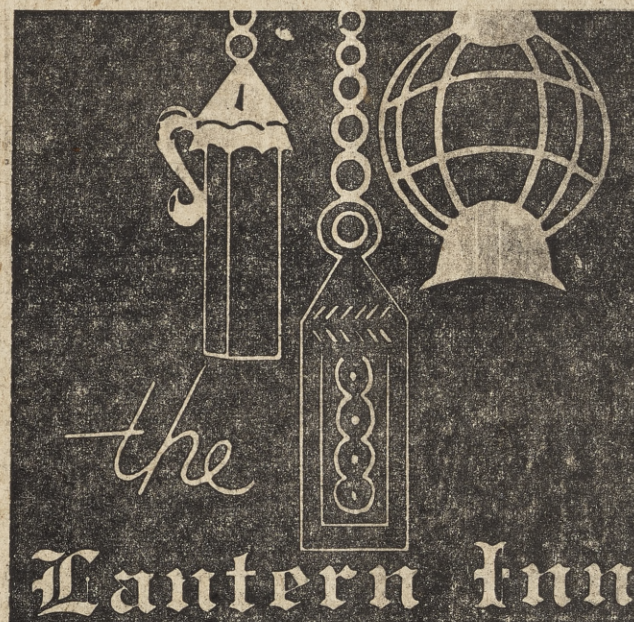

Fire Auxiliary Installs Officers For New Year

The Lemon Grove Fire Department Ladies Auxiliary installed 1960-61 officers at a dinner meeting Monday evening. Arrangements for the dinner were made by Mrs. Edward Erautt.

Mrs. Carol Shakespeare made camellia corsages which were presented to the new officers: president, Mrs. Carl Allerman (who was installed in absentia because of the flu); vice president, Mrs. Lawrence Bender; secretary, Mrs. Noah Tubbs; treasurer, Mrs. Earl Keyes.

Mrs. Allerman will appoint a historian, publicity chairman and a hospitality committee at the March meeting, to be held in the home of Mrs. Edward Erautt with Mrs. Earl Keyes as co-hostess.

STUDENTS TO INCREASE READING SKILLS FULL YEAR

Students attending the El Camino Reading Clinic will have the opportunity to increase their reading skills as much as a full academic year. This will happen at a time when most students are deluged with work, binding them in academic doldrums. During the school year, when many educators would expect learning to take place at a moderate pace, or level off at a plateau, for these students the trend will be markedly accelerated.

They will be attending the Spring reading workshops sponsored by EL CAMINO READING CLINIC. The 13-week workshop is designed to help the students achieve the best possible grades at school.

The reading workshops will be offered to students on three levels:

REMEDIAL — For the student having difficulty at school.
DEVELOPMENTAL — For the average student who needs the stimulation to achieve to his full capacity.

ACCELERATED — For the superior individual needing a challenge to high academic achievement.

Diagnostic testing and interviewing are now taking place prior to enrollment for the 13-week Spring session. Further information can be obtained by writing or calling:

Baptist Church Notes

S.V. FIRST BAPTIST
The annual box social, sponsored by the Men's Council of the First Baptist Church of Spring Valley, will be held Friday at 6:30 p.m. in the church social hall. The social is open to the public, says Rev. Roland Taylor.

"The Night With Wild Beasts" will be Rev. Roland Taylor's text at the Sunday 8 and 11 a.m. services. The men's quartet will sing at both services. The chapel choir will sing at the 8 a.m. services and the chapel choir at the 11 a.m. services. "Temptation Conquered" will be Rev. Taylor's evening text.

BANCROFT BAPTIST
The "Cradle Roll" department of the Bancroft Baptist Church has started a new event, that of visiting homes in which there are new babies. Sunday School literature is left at the home, to help the parents develop the child spiritually, says Mrs. Katie Perkins, superintendent of the department. Mrs. Inez Lewis and Mrs. Madeline Lewis assist Mrs. Perkins. Full details on the Cradle Roll department and its work may be obtained by calling Mrs. Perkins at HO 6-2442.

CASA DE ORO BAPTIST
A new college age youth group has started at the 6 p.m. youth hour of the Casa de Oro Baptist Church. Discussion meetings on subjects of interest are being considered by the group, says Rev. Ernest Anderson, pastor.

A new primary age group has also started with Mrs. Marcia Harris as sponsor. This makes five youth groups meeting each Sunday evening. The youth choir group comprised of youth of junior high age, minister each Sunday at the evening services.

The Girls Missionary Guild will meet Thursday at 4 p.m. This group is comprised of the junior age and junior high age. Rev. Anderson will speak at the junior highers on the subject "How We Got Our Bible." The G.M.G. groups are working on plans for an area G.M.G. rally to be held at the CDO Baptist Church on March 11. Rehearsals have been started of the Easter Cantata to be presented at the Easter Sunday evening services. The message again will be the Crucifixion and Resurrection of Christ, to be given in songs, says Rev. Anderson.

What's Doing In the PTA?

Nominations of the Mt. Helix Council committee for the PTA year 1960-61 are as follows: President, Mrs. C. S. Williams, Spring Valley Elementary PTA; Vice President, Mrs. George Cadwalader, Brier Patch PTA; Secretary, Mrs. R. J. Collette, San Miguel PTA; Treasurer, Mrs. S. E. Perry, Northmont PTA; Historian, Mrs. A. J. Long, Golden Avenue PTA; and Auditor, Mrs. A. Ray Hunter, La Mesa Elementary PTA. The slate will be presented at the March meeting of the council and nominations may be made from the floor if that person's consent has been obtained prior to the meeting.

Mrs. Robert Higgins, Council parliamentarian, instructed the nominating committee on procedure. Mrs. Paul Shipp was elected chairman with Mmes. Woodrow Ratner, John McKee, Charles Jackson and A. Ray Hunter, and Messrs. I. Don Wilder and Fred Harmuth completing the group.

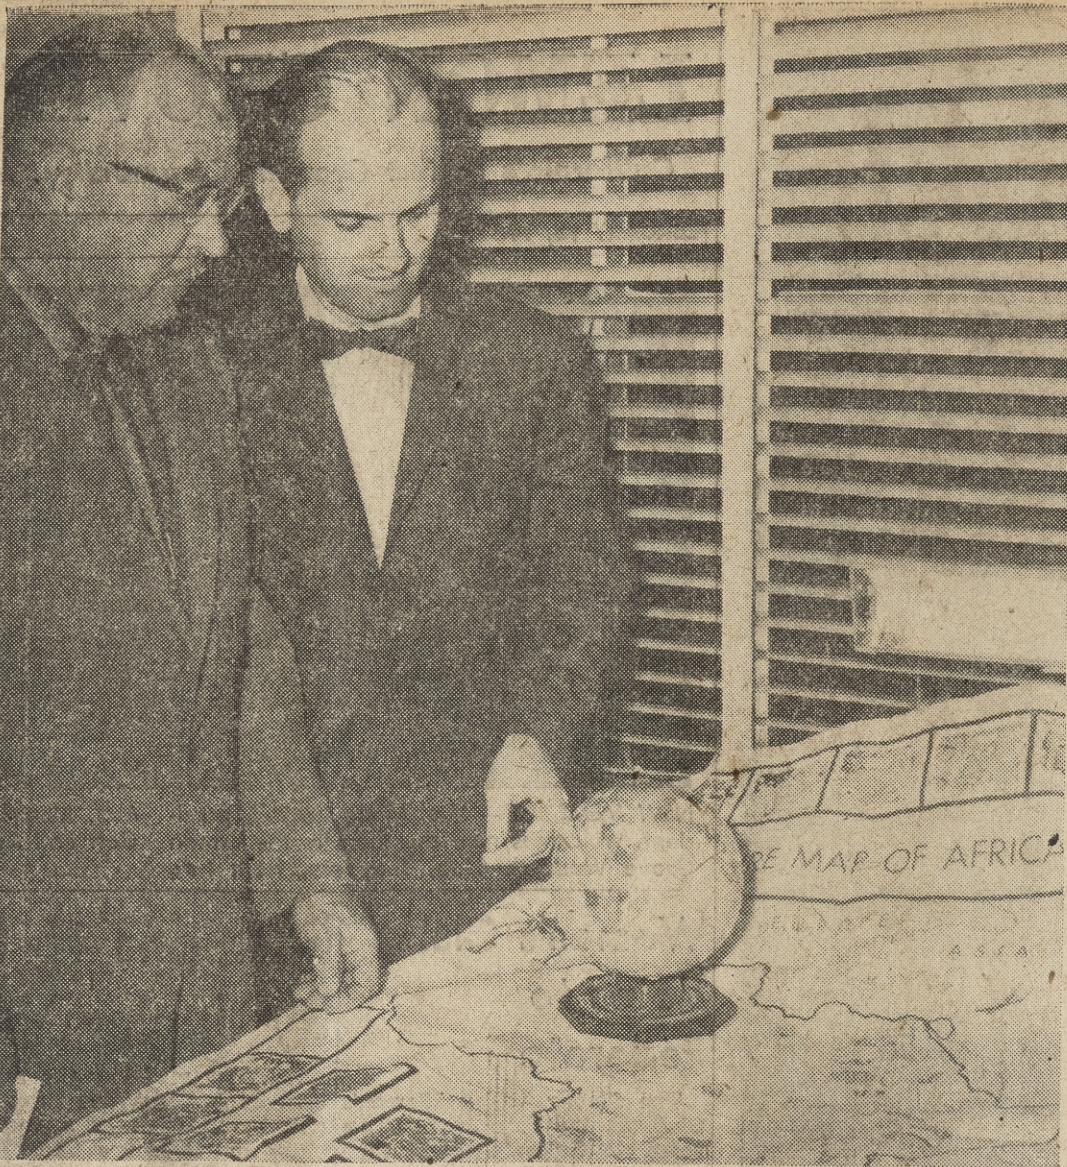

"Founder's Day" will be celebrated by the Lemon Grove Junior High School PTA on February 18. Mrs. J. H. Grandfield is the chairman of the program which will be held at the school at 7:30 p.m. Reverend Donald Cooke of the Lemon Grove Methodist Church will speak on "The Foundation for spiritual understanding."

Past Presidents of the PTA unit will be honored. An Honorary Life Membership will be presented to a recipient disclosed that evening by the committee, headed by Mrs. Robert Brown. Hostesses for the evening will be from Rooms 7-1, 7-2, 7-3, 7-4.

Certificates of merit were received from Ninth District PTA, for the outstanding work of Mrs. Imogene Reese, magazine chairman, and Mrs. Faye Dan-

FAITH
Faith is the inner assurance of the reality of God's Kingdom. The Holy Spirit's creation of a living faith in us is the deposit of something of God in our hearts. When this takes place, we know it. We have passed from death to life. We have become a new creation. A person who is alive knows it.

Lutheran Church Message

Wesley B. Buttermore, a Lemon Grove plumber, and the Rev. Donald B. Cooke, pastor of the Lemon Grove Methodist church, scan the world globe to locate the Belgian Congo. Buttermore will travel to the tropical outpost to give his services free to help modernize a hospital at Kapanga, a community of 300 population in the Congo back country.

Lemon Grove Plumber to Travel To Africa on Hospital Project

A Lemon Grove man plans to give up more than two months of his time and income to help modernize a hospital in the Belgian Congo.

Wesley Buttermore, a 62-year-old plumber who lives at 7664 Mt. Vernon St., will leave June 19 for Kapanga, an outpost in the Congo-bush country, where he will help pipe water into a partially completed hospital building.

The hospital, Buttermore said, is a facility operated by the Methodist church. The modern-

ization is being sponsored by the Methodist Services Projects Committee of the Southern California-Arizona Conference of the church. The hospital is almost as primitive as the back-country in which it is located. There isn't another hospital within 100 miles of Kapanga, and Kapanga itself can hardly be classed as a metropolis. The population is listed as 300, mostly Negroes. It is 80 miles to the nearest railway.

Buttermore will stay at a Methodist mission station near the Kapanga hospital while he works on the hospital modernization. He will not enjoy the conveniences he has become used to at home because there isn't even electricity in Kapanga, except in the hospital's operating room. That power comes from a small generator in the hospital, he said. Members of the Lemon Grove Methodist church currently are involved in a money-raising project to help pay Buttermore's fare, by air, to the Belgian Congo and return. It will require about \$1,500 according to the Rev. Donald Cooke. The call already has gone out for contributions, he said. "We are not restricting contributions to members of our church only," he said. "The need for help from fellow-man to fellow-man is too strong to restrict it. Therefore, we are inviting all who want to help to contact me and any contributions will speed Mr. Buttermore on his way."

Rev. Cooke said the 30-room hospital now has but one doctor. In the hospital are beds but no mattresses. Patients sleep on blankets atop the bare springs. There is no running water in parts of the hospital and there is no hot water whatever. "The sacrifice Mr. Buttermore is making, together with those others who will serve in Kapanga to modernize the old hospital is truly inspirational. Democracy and Christianity are taking wonderful steps together in this uncivilized part of the world," Rev. Cooke said.

Mrs. Buttermore, who will re-

Scout News

Allen J. Sutherland, senior vice-president of the Security First National Bank, is the chairman of the county-wide Scouting Sustaining Membership enrollment, Feb. 15-22. It was learned from Scout headquarters, Sutherland is a father of a Scout and was a Boy Scout himself at one time.

Sutherland said that there are certain basic services in the community that command priority and support and deserve extra attention. He said Boy Scouting is one of these services and the community must rally to its support.

The Sustaining Membership will help meet the 1960 Council budget of \$289,391 needed to finance the continued growth of the Council and to provide Council services to anticipated 25,000 Scouts and more than 9,000 leaders in 1960, the report stated.

A major portion of the budget already has been provided by people of San Diego County through the nine Community Chests and the United Fund, it was reported. The balance must come from persons who believe in the effectiveness of Scouting and a full 12 months of Scouting.

Boy Scout Week is Feb. 7-13 and the County's 31,000 Scouts are joining with the nation's more than 5 million scouts and leaders in celebrating the 50th anniversary of the founding of Scouting in America.

At Spring Valley Cub Scout Pack 325's last meeting, Cubmaster Roy Cones announced that the Blue and Gold banquet will be held at 6:30 p.m., Feb. 24, at Palma Avenue school.

Harold Wagner reported that the pack has \$291.34 in its treasury from the sale of Christmas trees, enabling the pack to go to Disneyland.

At special ceremonies, the following boys received Bobcat pins: James Stucky, Jack Balch, Mark Baker, Larry Bear, Darrell Bear, Paul Colombo, Kenneth Scott, Gary Hunt, Randy Miller, David Campbell, Ronnie La Master and Joe Easter.

The following awards were given: Billy Kirkland silver arrow, assistant Denner bar, two-year pin; Tommy Tagg, gold arrow; Larry Shaw, Lion badge; Denner bars, gold arrow, silver arrow; Danny Johnson, Wolf badge; Steve Gardner, Bear badge; Gary Cones, Lion badge; Roy Harmon, Lion badge; Webelo badge, gold arrow.

Warren Harvey, Lion badge; Webelo badge, one-year pin; Royal Bates, gold arrow, silver arrow.

Mike Colombo, Lion badge, two silver arrows; Chuck Carroll, gold arrow, Bear badge; Robert English, Wolf badge; Larry Henderson, Wolf badge; Eugene Karnousky, assistant Denner stripe, Wolf badge; Dennis Karnousky, Lion badge; Webelo badge; Ron Hunt, Denner stripes; Billy Rowen, one-year pin.

Mrs. Jack Balch was installed as Den Mother for Den 3. Howard Kada was promoted to Boy Scout. Den 4 gave a skit on "Science." Jack Parker, camp cook, received a three year pin for faithful service. Den 5 served refreshments.

A program aide from Girl Scout headquarters will discuss songs to be used in the scouting field at the monthly meeting of the Lemon Grove Neighborhood, at the Youth Center, Thursday morning, Feb. 18, at 9:30 a.m. The "World Song" will be sung at the meeting to assist leaders with their instructions. All Scouts and leaders will sing the "World Song" at the celebration of International Friendship, Saturday morning March 5, at Mt. Miguel High School.

It was a "packed house," when Cubs and parents of Pack 35 gathered at the Spring Valley Junior High School cafeteria Feb. 5 for their annual Blue and Gold dinner. Assistant Cubmaster Guy Shackley acted as master of ceremonies.

After a hearty meal, Shackley introduced several visitors of the area. Den 5 then presented a skit in pantomime, which had the audience in an uproar. Mrs. Nancy Kessinger is Den Mother of 5.

As an added attraction of the evening, officer Eldon Carl of the El Cajon Police Dept. and Gary Freymullen of the San Diego Gas and Electric Co. presented a fast, fancy and safe gun action demonstration. Freymullen is considered to be one of the world's fastest "on the draw." Officer Carl warned all youngsters that they should "not touch a pistol or any other firearm if you see it lying

around, but get your father right away." He said a boy cannot have a firearm until he is 18 years of age.

Assistant Cubmaster Shackley inducted the following boys into the Bobcats: David Bussing, Charles Grimm, Richard Hammett, Sidney Scott, Vernon Ping, Thomas Pogue, Christ Schieler, Douglas Womak, Martin Lee Ellis, Jerrold Young and David Murphy.

The following awards were presented: Michael Johnson, Wolf badge; Robert Johnson, two silver arrows; Bruce Ware, Wolf badge; Tommy Kessinger, silver arrow; Guy Brooks, Lion badge; gold and silver arrows; Steven Elliot, Lion badge, gold arrow and two silver arrows; Dennis Evans, Lion badge, gold arrow and two silver arrows; Glen Murray, Lion badge; Patrick Barney, Wolf badge; Sanford Armstrong, Wolf badge;

Richie Serr, Wolf badge; Robert Vaughan, Wolf badge; Barry Lynn, gold arrow; Shera Dearinger, Bear badge; Terry Halfener, Bear badge, gold and silver arrows; Kyle Jenkins, Bear badge; Douglas Weaver, Bear badge; and Dennis Lynn, gold arrow.

The following Cubs advanced to Webelos: Guy Brooks, Steven Elliot, Dennis Evans, Kenneth Fife, Glenn Murray and Jerry Shackett.

John Melega, Scoutmaster for Troop 354, received the following boys in to the Troop, via "the bridge":

Michael Leinen, Alex Fousek, Ned Fousek, Duane Camp, Alen Peterson, Gregory Becker, John Franceschi, Bill McCray, Michael Towsley and Chris Baer. Concluding the evening program, John Franceschi blew "taps."

Troop 47 and Explorer Post 47 held a Court of Honor Feb. 6 in the Spring Valley Friend Community Church. Jeff Lindeneau and James Bauer led in the flag ceremony and Larry Godley gave the invocation.

Three new committee members have been elected to the Troop: Leon Rauscher, Joseph Sapienta and Edward Law.

Scoutmaster James Godley and senior patrol leader James Lindeneau presented the following awards: Steven Botzer, Star Scout badge; Tom Horak and Gary Phillips, first class badge; Richard Perkins and Al Ziegler, second class badge; Jeff Lindeneau and James Bauer, ten dollar foot badges.

The following merit badges were awarded: Jack Nielsen, citizenship in the nation; Charles Rauscher, first aid; citizenship in the nation, stamp collecting and animal husbandry; Mike Hale, reading; Larry Godley, safety and first aid; Steven Botzer, reading, citizenship in the home and home repairs; James Lindeneau, citizenship in the community, safety and public speaking.

Year pins went to the following:

Charles Rauscher, seven years pin; John Baker, four years pin; Tom Cady, three years pin; Jeff Lindeneau, three years pin; and James Ward, one year pin.

Fifty miles hiking award went to Donly Ross, John Skinner, Steven Botzer, David Hale, Doug Evans, Dutch Takahashi, Bruce Masse, Mike Masse, James Lindeneau, Wayne Muzzy, James Taylor, James Kida, Jack Nielsen and Charles Rauscher, and to adults Jerry Masse and Frank Hale.

Rolan Taylor, IR, announced that Explorer Post 47 has been chartered and is being sponsored by the Men's Brotherhood of the Friends church. Howard Takahashi, Frank Hale and Ron Rauscher, form the committee, with Lawrence Baker as post advisor. Lewis Muzzy is assistant post advisor. There are nine boys in the post.

Special announcement... A benefit square dance will be sponsored by Boy Scout Troop 47, March 5, in the S.V. Chamber of Commerce hall, 9050 Memory Lane, beginning at 8 p.m. Donation will be 50 cents. There will be prizes. Public invited.

Schools Cancel Arts Festival

Cancellation of the 1960 Fine Arts Festival in the La Mesa-Spring Valley school district was announced this week by district officials.

K. Boyd Lane, director of curriculum, said the event scheduled March 28-April 1, had been cancelled as an economy measure and because of increased difficulties in the assembling of materials due to growth in the district.

Costa Rican Visitor Sees Mount Miguel Sights

The order and work of the school and the quality of education impressed me greatly," commented Mrs. Carmen Luthmer, a recent visitor to the Mount Miguel high school campus. Mrs. Luthmer, who is Supervisor of the Sciences in Costa Rica, came to the local school to observe a "typical American high school."

John Penery, executive director of the Inter-American Foundation, said "Costa Rica has many youngsters who have muscle and bone defects that need correcting. Therefore, I was especially interested in showing the adaptive equipment in Mount Miguel's gym." Penery, aided by Edward Villarreal, head of the foreign language department at Miguel, guided the visitor on her tour of the campus.

Mrs. Luthmer showed special interest in the science department, homemaker department, the library, the math department, the foreign language lab, and the journalism department, from which she took a copy of

you have built them, as well as their architectural style," she concluded, "and, of course, we are most grateful for the opportunity to visit you."

Square Dance News . . .

Over five squares of dancers from Frontier Squares traveled out to the Thunderbirds in Lakeside on the first Saturday of the month for a stomping good time. Everyone enjoyed the spirited calling of Johnny Sauer.

After a tasty snack at Sam's Pizza House in Lemon Grove three squares of dancers meandered over to caller Bill Keller's apartment to earn their Idiot badges. After waking Bill at 2 a.m. and dancing a tip, coffee and donuts were had by all. Bill finally made it back to bed at 4 a.m.

Come join the Merry Whirlers at their Valentine Hop Friday Feb. 19. We will be hosting the Cajon Square D's and their caller Ken Reid. Door prizes and refreshments.

We now have tickets for the Merry Whirlers 5th Anniversary Dinner Dance, March 18. Dinner at 7 p.m. Dancing 8 to 11 p.m. Ron East and Guest Callers. Call HO 6-0991 or HO 9-9794 for reservations.

For a night of good square dancing, fun and friendliness, come out to The Women's Clubhouse, Gillespie Field, El Cajon. The First and Third Fridays of every month. Brush up on your dancing at our Advance Class, second and fourth Thursday nights. Everyone welcome.

Country Cousins will dance at Dale Elementary school Saturday for one night only.

The club will be guests of the Kearney Korn Krushers at Angier school, 8450 Hurlburt st., Wednesday night.

☆ California's most colorful fair—the Riverside County Fair and National Date Festival at Indio—will run for 11 days from Feb. 12 through 22.

BINOSPECS ARE HERE!

Everybody wants a front row seat at the ball game! For the first time, locally, eyeglass binoculars make this possible. The trick is a pair of Binospecs.

You wear Binospecs like eyeglasses and focus them like field glasses. Take 'em everywhere. Football games, outings, the theater, even dances.

These spectator glasses are lots of fun, the newest rage with teenagers and adults, too.

GET YOUR BINOSPECS . . .

FREE!

All you need to do is to get a NEW subscriber to the Lemon Grove Review or the Spring Valley Bulletin. The cost of the paper is \$2.50 for a full year. Bring the \$2.50 to the office of the Homeland Publishing Company at 7834 Lester Avenue, Lemon Grove, and the Binospecs are yours.

For those who already subscribe to this newspaper, a two-years advance payment (\$5) makes the Binospecs yours.

In case of question call Mrs. Williams at the newspaper office, HO 9-0101, and she'll tell you whether or not your prospect is new.

THERE'S NO LIMIT . . .

to the number of Binospecs you may have. Get enough for all your friends and your family too. They're made of heavy plastic with good quality magnifying lenses. They focus from the side.

GET YOURS TODAY!

Firemen Concerned About Telephone Emergency Numbers

Lemon Grove firemen this
week were concerned over dis-
tribution of plastic plaques by
a private concern for placing
on telephones.

Asst. Chief Fred Dixon said
that the plaques list the emer-
gency number 116 for calling
the ambulance, sheriff and fire
department.

"This is fine," Dixon said,
"except that we are hooked into
the La Mesa phone exchange
and when someone dials the
emergency 116 number and
asks for the fire department,
they are connected to the La
Mesa fire department."

"The La Mesa department
then calls us—and several val-
uable minutes are wasted,"
Dixon said that another type
of plastic sticker is being dis-
tributed in the Lemon Grove
district by his own firemen
and their own. These stickers,
he said, carry the local fire
department emergency number—
HO 6-4130.

"There's nothing wrong with
dialing 116 in most emergen-
cies," Dixon said, "but in Lem-
on Grove it costs valuable time
in case of a fire."

New High School Plans Approved

SAN DIEGO (CNS)—Build-
ing plans for a proposed high
school in Spring Valley were
approved Thursday by the Coun-
ty Planning Commission.

The school is to be located on
Sweetwater Springs boulevard,
south of Campo road, in the
Grossmont Union High School
District.

The planning commission's ap-
proval contained two conditions.
One was that the district re-
serve the southerly 30 feet of
its site for a future street. The
other was that the district give
up vehicular access rights along
Sweetwater Springs boulevard,
except for an entrance-exit
driveway shown in the plans
submitted to the commission.

All items of work shall be as
more particularly enumerated and
described in the Bid Form and
other contract documents forming
a part of, and in strict conformity
with the "Plans and Specifications
for the ALDWYCH 'B' TANK,
available at the office of the Board
of Directors of said District, 8111
University Avenue, La Mesa, Cal-
ifornia, and shall include the fol-
lowing:

Concrete Tank

Item 1. Excavation of material
above grade noted and ex-
cavation of foundation area.

Item 2. Construction of a 120 foot
diameter concrete tank
footing.

Item 3. Furnish and install all pipe
and appurtenances (including
concrete anchor blocks).

Item 4. Construction of a 1,920,000
gallon capacity prestressed
concrete tank.

Item 5. Asphaltic concrete drainage
apron.

Item 6. Furnish and plant land-
scape plantings.

Steel Tank Alternate

Item 1. Excavation of material
above grade noted and ex-
cavation of foundation area.

Item 2. Construction of a 120 foot
diameter concrete tank
footing.

Item 3. Furnish and install all pipe
and appurtenances (including
concrete anchor blocks).

Item 4. Furnishing, erecting, test-
ing, painting and coating a
welded steel tank having a
capacity of 1,920,000 gal-
lons.

Item 5. Asphaltic concrete drainage
apron.

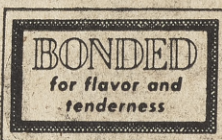

Item 6. Furnish and plant land-
scape plantings.

The District reserves the right
after opening bids to reject all bids
to select either the concrete
tank or the steel tank bid, on the
basis of assured time of completion.
Maintenance costs will also be a
factor in determining the lowest
bid to the District.

It is especially called to the at-
tention of the bidder that the start-
ing date and completion date of
the work shall be a factor in de-
termining the award of contract.
The work shall include the fur-
